# Privacy

---

- Matriculation number
  - Identifies a student in an unique way
- RUM-Identification
  - Login-Data for Portal2, E-Learning Platform Ilias, WIFI etc.
  - *identification@mail.uni-mannheim.de*

# Lecture Halls

---

B6 A001

A5 C013

L7 001

SN169

SO108

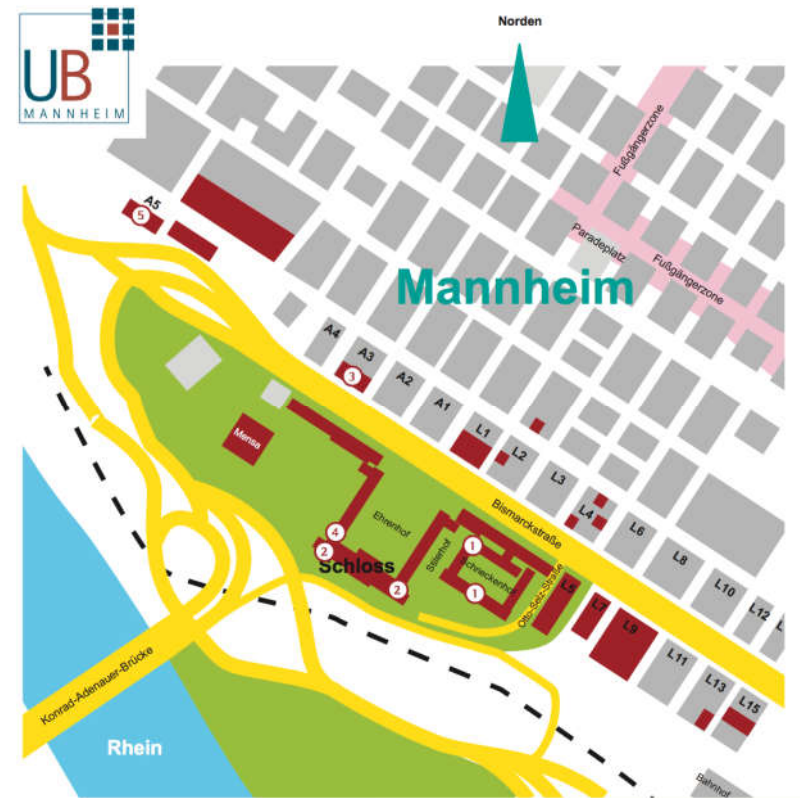

M003

- Address of the building (Square)
  - Palace (Schloss) is left out most of the times
- Part of the building
- Room number
  - First digit indicates the floor
    - -1: basement
    - 0: ground floor
    - 1: first floor etc.
- Lecture halls in the palace usually have the name of a sponsor

# Libraries

- A5
  - Math & IT
- Schloss Ehrenhof West
- Schloss Schneckenhof
  - Business Administration, InfoCenter, Learning Center
- „Ausleihzentrum“
- Opened longer during the exam phase

[www.bib.uni-mannheim.de](http://www.bib.uni-mannheim.de)

# Computer Pools

---

- mPool: A5, B-116 (-1 indicates the basement)
- Pi-Pool: A5, C-109
- Rechenzentrum: close to the central train station
- WIFI: Adonis & Eduroam
  - <http://ncc.uni-mannheim.de/InternetStudents>
- Netpoints with cable
- VPN-Client necessary

# Online services

---

Note: The registration periods and conditions for courses and exams can differ between WIM and the MMM

- Student portal<sup>2</sup>
  - List of courses, course registration, exam registration, transcript of records, etc. → check for course registration!
  - <http://portal2.uni-mannheim.de/>
- E-Learning platform ILIAS
  - Lectures, exercises and lecture materials, previous exams, etc.
  - <http://ilias.uni-mannheim.de/>

Courses from WIM  
<https://www.wim.uni-mannheim.de/en/student-affairs/module-catalogues/>

# Portal2 and course registration

---

- Login at <http://portal2.uni-mannheim.de/>
- Documentation:
  - At top of starting page on the right
  - Only available after login
- Information about registrations:
  - Course registrations might be required for some courses, check on web pages of chairs
  - Some registrations are already opened!

# Facebook Group

---
