Studying Online

Online Services for Your Study

Portal²	portal2.uni-mannheim.de	Central place to manage your study , register for courses and exams, see your grades, ...
ILIAS	ilias.uni-mannheim.de	Central place to access course material
Uni Webmail	exchange.uni-mannheim.de	Access your university email
MS Office / MS Teams	www.uni-mannheim.de/it/studierende/microsoft-365/	Get access to the Office Suite and be able to cooperate with your fellow students via MS Teams
School WIM	wim.uni-mannheim.de	Get information about your study , module catalogues, ...

Portal2

- **Register for courses**
- **Register for exams**
- See your timetable
- **Access live online lectures (via Zoom)**
- **See your grades**
- Get a ToR or certificate of enrollment
- Change your personal data (address, phone number, etc.)

Overview of Portal 2

The screenshot shows the 'PORTAL 2' interface with a search bar and navigation tabs: 'My Studies', 'Studying', 'Organisation', 'My services', and 'User Manuals'. A dropdown menu is open under 'My Studies', listing: Degree Planner, Schedule, Show my enrollments, Student Service, Course plan, Requests, InfoCockpit, StudentCockpit, My Tasks, External system links, and Administration of exams. Red arrows point from the text annotations to 'Degree Planner', 'Schedule', and 'Administration of exams'.

Register for courses and see more info about them

See your timetable and access the online lecture room

Register for an exam or see your grades

Registering for a Course

Accessing its ILIAS course and joining a Zoom lecture

MAN 633 Entrepreneurial Spirit - 6.0 ECTS credits

- Free meditation app for one year: [7mind](#)
- Free bicycle repair station in front of Mensa
- **Offers by AStA** (General Students' Committee)
 - Bicycle repair shop
 - Stationery shop
 - Legal counselling
 - Free event tickets

Your Students' Association – FIM

The Work of the Students' Association

We, the Students' Association, are involved in four different areas.

For us, the well-being of students as well as fun is always our priority.

Committee work

We maintain a good relationship with our department and its faculty. We represent your interests in various committees responsible for structuring the university.

Events

Your fun is our priority. Whether you want to have a beer with the professor at the faculty's BBQ or party wildly at the Schneckenhof: There is no way around us!

Partnerships with companies

Together with leading companies from various industries, we provide insight into interesting topics.

Student contact person

You have a problem with a professor? You have a question about your studies or a certain lecture? You have the impression that nothing is working out? Reach out to us!

Events and Cooperations

We organize several events during the year. Each member of the FIM is allowed to bring new ideas and create new events.

Schneckenhof

The Schneckenhof is the event location of the university. Each students' association organizes a big party there each semester.

Freshmen Days

The freshmen days are your start into your studies. We do our best to give you a balanced mixture of preparation for your degree and socializing events.

Freshmen Camp

Only for Bachelor freshmen. Our Bachelor Freshmen Camp is very popular and quickly sold out. It's the best way to get to know a lot of your fellow students.

Beer Box Run

In the spring semester, the beer box run is an occasion for good mood. Students solve various challenges in groups and must have drunk their beer box empty by the end of the route.

Wine Walk

The Wine Walk is a FIM members only event for team building. It's a short hike through the picturesque vineyards of the Palatinate region (Pfalz).

Summer night BBQ

It takes place every spring semester. If you prefer a game of flunky ball or just a relaxed get-together – this event has something for everyone. There also is enough food and drinks for everyone.

Department's BBQ

The Department's BBQ is hosted by the department and the FIM at the end of the spring term. You can talk to your fellow students and professors over food and drinks.

Santa-Claus-Gathering

The FIM invites all students of the department to the Santa-Claus-Gathering at the end of November. Mulled wine and Christmas cookies – all you need to enjoy a cozy evening.

Partnerships with Companies

Your studies are very theoretical compared to everyday work. We are continuously organizing talks and workshops with prospective employers of the branch to give you an insight to the world of work. You do not only can get exciting information about a certain topic of the MINT field but you're also able to get to know companies in a relaxed atmosphere.

McKinsey&Company

Your Participation at the FIM

Every student of the department is allowed to participate actively in the students' association. You want to establish contact with companies and initiate events? Or do you rather want to represent the interests of your fellow students towards the faculty? It is your decision how much and in which sectors you want to be involved.
